TECH TREE / CHECKLIST

This diagram illustrates the routes to progress your colony technologies. It excludes Research-derived bonuses to in-game currencies such as Colony Morale or Augmentation Points, which are included together with costs and further details in the Research, Buildings, Genetic Augmentation, or Armory chapters.

- Theory
- Secondary Theory
- Milestone
- Building
- CB Colony Bot Upgrade
- TR Trooper Upgrade
- GR Grunt Upgrade
- New Weapon

Advanced Manufacturing — RP Investment ☐ of 3
- 3 High-tech manufacturing plant + CB 1 KP
- 3 Damage containment center
- 3 Orbital facility

AI Theories — RP Investment ☐ of 4
- 4 AI-assisted school + CB Combat Skill +1
- 4 Bot maintenance bay
- 4 Cybernetics facility + CB Speed 6"

Environmental Research — RP Investment ☐ of 2
- 3 Hardened life support system
- 3 Locally adapted food production site + GR Adapted armor
- 3 Remote extraction site
- 3 Remote research station
- 3 Scout facilities

Environmental Adaptation — RP Investment ☐ of 3
- 3 Integrated post-organic demarcation
- 3 Terraforming control center
- 3 GR Bolstered survival kit
- 3 GR Immune system bi-delineation

Genetic Advancement — RP Investment ☐ of 4
- 4 Advanced medical center

High-Level Adaptation — RP Investment ☐ of 4
- 4 Protective field installation
- 4 Biological adaptation research site
- 4 Genetic adaptation facility

Psionic Engineering — RP Investment ☐ of 4
- 4 Psionic personality integration

The following Augmentations may be bought using Augmentation Points:

- ☐ Boosted decision making
- ☐ Boosted recovery
- ☐ Claws
- ☐ Enhanced mobility
- ☐ Enhanced vision
- ☐ Inherent protection
- ☐ Mental links
- ☐ Psionic cohesion

- **Infantry Equipment** — RP Investment of 2
  - 2 Carver blade + GR Sergeant weaponry
  - 2 Kill-break shotgun
  - 2 Ripper pistol
  - 2 Shard pistol + GR Side arms
  - 2 Steady rifle + CB Trooper weapons
- **Adapted Combat Gear** — RP Investment of 2
  - 2 Bio-gun
  - 2 Dart pistol
  - 2 Hyper-rifle
  - 2 Mind-link pistol
  - 2 Phase rifle
- **Military Doctrine** — RP Investment of 3
  - 3 Early warning system + GR Sharpshooter sight
  - 3 Med-evac shuttle facility
  - 3 Military barracks + GR Ammo packs + TR Handguns
  - 3 Rapid response network
- **Social Theories** — RP Investment of 3
  - 3 Recreational facility
  - 3 Satellite launch facility
  - 3 Frontier world doctrines
- **Theoretical Physics** — RP Investment of 4
  - 3 Environmental control facility
  - 3 Research laboratory + CB 5+ Saving Throw
  - 3 School of theoretical sciences
  - 3 Galactic comms relay
- **Non-Linear Physics** — RP Investment of 4
  - 3 Scientific training facility
  - 3 Colony shield network
  - 3 Academy + CB Reactions 3

The following buildings have no prerequisites:

- ☐ Advanced manufacturing plant
- ☐ Civilian market
- ☐ Drone turret network
- ☐ Expanded living facility
- ☐ Heavy construction site
- ☐ Military training facility
- ☐ Militia training camp
- ☐ Patrol base
- ☐ Protective shelter
- ☐ Research processing
- ☐ Scout drone network
